Private Assessment & Consultation

(559) 320-5260

amandanicolson.bcba@gmail.com

Thank you for being in touch regarding an assessment for your child. Please see Information Letter for more information on the assessment process. The below is needed for ASD Assessments only.

Types of Service and Consultation:

- Assessment of Autism Spectrum Disorder
- Evaluations for school programs and assistance with the IEP process
- Consultation on services most appropriate for ASD and other special needs through private insurance, regional centers and school districts

Office: I work in a private home office. I am also able to schedule house calls on a limited basis.

Patient Confidentiality: Your assessment and report are part of you child's private medical record and will be protected by all applicable guidelines and laws. Records are part of a confidential HIPPA protected files and will not be disseminated without parent/guardian written release.

Cancellations: Please provide at least 24 hours notice, if possible, in the event of a needed cancellation. Appointments will be rescheduled as possible.

Cost:

- ASD assessment: \$450 includes appointment, report, and follow up as needed.
- Payment due at time of service.
 - Payment via check, cash, credit card, Apple Pay and Venmo.
 - In the case of credit cards, a 4% service fee applies.
 - There are no refunds after point of service.

**If you have experienced financial hardship, please let me know. I will work with you.*
